Louisiana faces challenges - like under-funded schools and roads that need repair. We lose as much as \$330 million of taxable revenue each year when our residents bet illegally online or cross the border to Arkansas and Mississippi for legal sports wagering. It's time we kept revenues at home **VOTE YES ON sports wagering.**

### A MESSAGE FROM THE CHAIRMAN

Presidential politics. A fight for the U.S. Supreme Court. Control of the U.S. Senate. National politics can suck all of the oxygen out of the room. But here in the Crescent City, we cannot let that happen. The stakes are too high in our local elections. There are more judgeships being contested on November 3 than there has been in recent memory. Add to that mix the fact that we will elect a new District Attorney, and we are on the cusp of changing the trajectory of our Criminal Justice system.

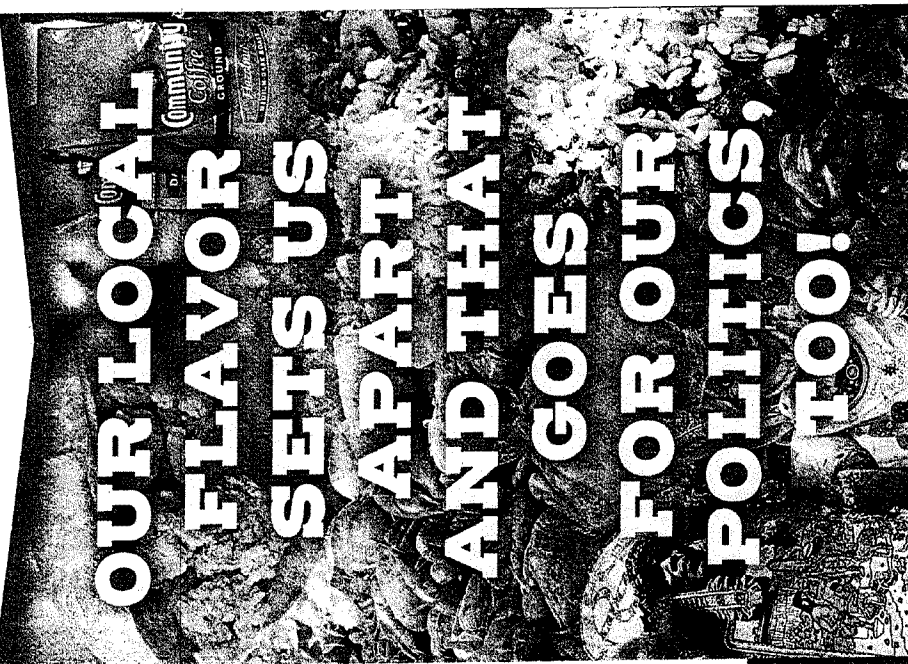

We rarely have to urge you to get out and vote during Presidential elections. What we ask is that you give serious consideration to our recommended candidates, our suggestions on the seven Constitutional amendments, and a YES vote to authorize Sports wagering. There are over thirty individual votes on the ballot. Please take this ballot with you when you vote. It is legal to take it into the booth with you.

Thanks for your consideration in helping us in our mission of moving the Crescent City forward!

Public Service Commissioner Eric Skarnetius work to protect ratepayers and improve utility services has been exemplary. Saved ratepayers over \$8 billion since taking office, reduced residential utility rates to the lowest in the nation. He also ushered in new power plants to build Louisiana's energy efficiency, promoted industrial solar to diversify our energy portfolio and he strongly advocated for broadband for all.

He would use his superior legal expertise to stand up for our community, give all who entered a fair and impartial hearing, and make us proud. Through diligent preparation, careful deliberation, and timely settings, I have been successful in reducing the time that parties, witnesses, and jurors are away from their family and work while ensuring justice for all.

Hull stated that "the citizens of New Orleans deserve a judge who will provide consistency, efficiency, and effectiveness from the bench. Consistency in rulings and judgements, effectiveness in the manner in which the law is applied, and efficiency in the manner in which the court is run. Couple this with the judicial temperament required of a judge, this is what I pledge to the citizens of New Orleans."
